SUMMARY

Hi! I'm Saif-ur-Rehman, a passionate self-taught developer focused on building clean, responsive web applications with intuitive functionality. I enjoy transforming ideas into reality through creative problem-solving. Continuously learning new skills, tools, and concepts, I've developed and deployed several full-stack web applications. I'm proficient in MongoDB, Express.js, React, and Node.js, and have a proven ability to collaborate with cross-functional teams to deliver high-quality projects.
